Sculpting Dreams, Building Realities

**HALF A
DECADE**

**It has been
furnishing your
home. Just the way
you want it.**

CPM, MAKOSI MUTUA

Chief Executive Officer

We think that design, architecture, and construction implementation is best expressed when it encounters the quality, specifications and flexibility required to ensure everyone achieves an idea home. For close to a decade, we have grown through the numerous homes and buildings we have constructed and are still enhancing our project delivery by adopting to the new and ever evolving construction industry. It's remarkable how we have grown at OneSpace Africa Construction Ltd to center our focus to projects details and client satisfaction without compromising our set core values. **"Ideal space"** which is OneSpace Africa's signature philosophy has developed year by year and collection after collection with the desire to offer not only a non-standard concept, but also one that is highly customizable. The vast range of materials, finishes and colors means solutions that become part of our customers' homes are always one-of-a-kind. Thanks to our efficient production and highly specialized designers, it is possible to create your dream project and it is wonderful to think that every day so many people all over the world call this project their home.

Overview

At Onespace Africa Construction Ltd, we stand as a continent-class entrusted construction company committed to transforming the skyline and shaping the world's infrastructure. Since our inception in 2017, we have consistently delivered exceptional construction services, engineering expertise, and innovative solutions to clients across the African continent. As a trusted leader in the industry, we take pride in our dedication to quality, safety, sustainability, and client satisfaction.

Mission

Our mission is to be at the forefront of construction excellence, delivering iconic projects that enrich communities, drive progress and leave a lasting legacy through building sustainability. We are driven by a passion for innovation, a commitment to safety, and unwavering focus on our clients' needs.

Vision

As a visionary company, we envision a future where awe-inspiring structures rise to redefine skylines, inspire generations, and improve lives. Our vision is to be recognized as the benchmark of excellence in the construction industry, setting new standards for craftsmanship and engineering ingenuity.

INTERIOR DESIGN

Our architecture services involves the planning, designing, and overseeing the construction of buildings and structures in the aim of creating functional, safe, aesthetically pleasing, and sustainable spaces that meet the needs and aspirations of our clients

RESTAURANTS

HOSPITALITY

The aim to create an inviting and pleasant ambiance that enhances the overall dining experience for customers is crucial for attracting patrons, promoting comfort, optimizing workflow, and reflecting the establishment's concept and brand identity.

OFFICE BOARDROOM

OFFICES

Gypsum niche / shelf add a touch of architectural interest and elegance to a room, serving as a focal point or a decorative element in the interior space. Gypsum niches provide a designated area to showcase decorative items, art pieces, or collectibles. They can also function as storage space for books, small sculptures, or other personal belongings.

When considering installing a gypsum niche, it's essential to work with skilled professionals to ensure proper framing, installation, and finishing to achieve a polished and aesthetically pleasing result. Additionally, any electrical or lighting fixtures integrated into the niche should be handled by licensed electricians to ensure safety and compliance with building codes.

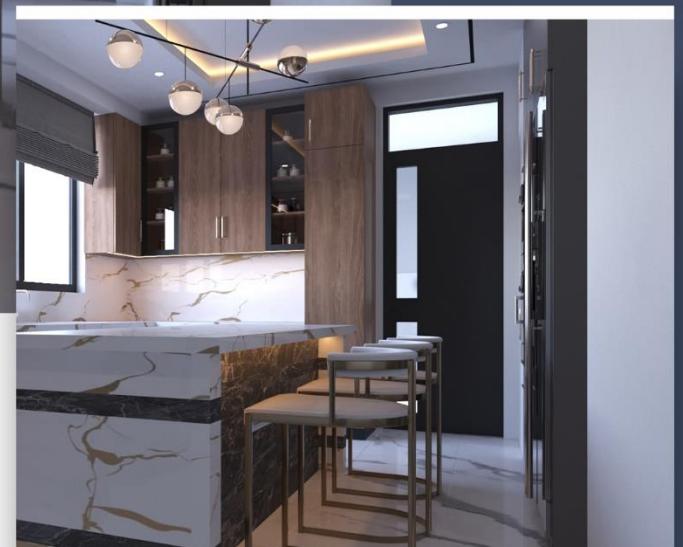

ENGLISH STYLE KITCHEN

KITCHEN

we create modern kitchen designs that embodies a sleek, functional, and minimalist approach, emphasizing simplicity and clean lines while incorporating the latest technology and innovative materials. It aims to create a contemporary and efficient space that is both aesthetically pleasing and highly practical for cooking and entertaining.

DINNING

In today's fast-paced world, the dining experience has evolved beyond its traditional purpose. Modern dining design has transcended the mere act of eating and transformed into a captivating sensory journey that amalgamates aesthetics, functionality, and innovation. A harmonious blend of contemporary elements, minimalist flair, and cutting-edge technology creates an ambiance that elevates the art of dining to new heights. In this write-up, we explore a modern dining design

-Family Room Lounge

LOUNGE

our goal is to provide a contemporary and stylish living room space that incorporates the latest design trends, materials, and aesthetics. this spaces are designed to be comfortable, functional, and visually appealing, reflecting the current design sensibilities.

-BEDROOM

BEDROOM

The concept of having modern bedroom spaces revolves around creating stylish, functional, and comfortable sleeping areas that reflect contemporary design trends and cater to the needs and preferences of individuals in the present time. Modern bedrooms often embrace simplicity, clean lines, and innovative design elements to create a relaxing and inviting environment. The key element is to feel at home and peaceful in our bedrooms.

WALK-IN-CLOSET

– WARDROBES –

modern Glass doors wardrobes add a touch of sophistication and elegance to the wardrobe design. They create a sense of openness and visual transparency, making the wardrobe feel less bulky and more integrated into the overall room decor.

Glass door wardrobes allow a glimpse of the contents inside, making them suitable for displaying neatly organized clothing, shoes, or accessories. This feature can turn the wardrobe into a decorative element in the room despite the change in design as technology and aesthetic involvement ,sometimes solid door work best for primary designs

FURNITURE

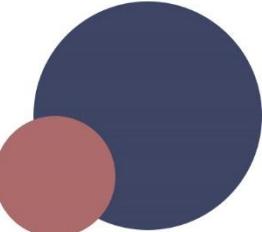

Furniture

Interior furniture comes in a wide range of styles, materials, and designs, allowing individuals to choose pieces that suit their preferences and complement the overall interior design theme. High-quality furniture not only provides functionality but also enhances the aesthetics of a space, making it inviting and appealing to the inhabitants and visitors alike.

BATHROOMS

CLOAK ROOMS

The primary purpose of a bathroom is to serve essential functions such as bathing, personal grooming, and hygiene. An effective bathroom design ensures that all necessary fixtures and amenities are placed and arranged in a way that maximizes usability and convenience.

Bathrooms can be spaces of relaxation and escape from the stresses of daily life. A well-designed bathroom with comfortable fixtures, soothing colors, and appropriate lighting can create a calming atmosphere, enhancing the overall bathing experience.

-SOFT FINISHES

DECORATIONS

Lighting decor plays a crucial role in interior design as it not only illuminates spaces but also enhances the ambiance, highlights architectural features, and contributes to the overall aesthetics of a room. Thoughtful lighting decor can transform the mood and atmosphere, making a space more inviting, functional, and visually appealing.

Interior decor creates various elements within a space to reflect the occupants' needs, preferences, and personal style. This helps the design, architecture, psychology, and aesthetics elements that improve our spaces.

Planter decor involves incorporating various types of planters and plants into interior and exterior spaces to enhance the overall aesthetics and create a refreshing and natural ambiance. Planters are containers designed to hold plants, and they come in a wide range of sizes, shapes, materials, and styles to suit different design preferences.
